## **The Family of Laura Slingerland**

wishes to express their appreciation for the kindness and thoughtfulness that Duff's Church has shown to mom over the past several years. Attending church on Sundays was the highlight of mom's week due to the friendliness and helpfulness shown by all of Duffs' members.

We would also like to thank the many people who helped to make the memorial service and luncheon run so smoothly and for all the donations and sympathy cards. You are truly an amazing church.

May God continue to bless you.

Sincerely, the Slingerland Family
